

Please help support CURED as we run the 2012 Bank of America Chicago Marathon

The Bank of America Chicago Marathon is the pinnacle of achievement for elite athletes and everyday runners alike. On Sunday, October 7, 2012, runners from all 50 states and more than 100 countries will set out to accomplish a personal dream. Please join us in our effort to run not only for ourselves, but for an organization that we support with all of our hearts and that will be on our minds as we run.

Thank you for your support and come cheer us on in October!
