

Thursday, October 19, 2017

**All Topics and Speakers are Tentative*

Research Session I, Research Auditorium

8:00 AM	Opening Remarks	<i>Marc E. Rothenberg, MD, PhD; Allergist/Immunologist, Cincinnati Children's</i>
	Welcome	<i>Ellyn Kodroff, Founder, CURED</i>
	Comments	<i>TBA</i>

General Features chaired by

8:20 AM	EoE Pearls: 10 things that I want you to know	<i>Philip E. Putnam, MD, FAAP; Gastroenterologist, Cincinnati Children's</i>
8:40 AM	Guidelines for Diagnosing EoE and other EGID	<i>Margaret H. Collins, MD; Pathologist, Cincinnati Children's</i>
9:00 AM	Overview of EGID Pathophysiology	<i>Marc E. Rothenberg, MD, PhD; Allergist/Immunologist, Cincinnati Children's</i>
9:20 AM	EGID beyond the esophagus	<i>Nirma Gonsalves, MD; Gastroenterologist Northwestern University Feinberg School of Medicine</i>
9:40 AM	Living with EGID as a parent	<i>TBA</i>

10:00 AM – 10:15 AM Break

Clinical Features of EGID chaired by

10:15 AM	Clinical Presentation of EoE	<i>Amal H. Assa'ad, MD; Allergist/Immunologist, Cincinnati Children's</i>
10:35 AM	Approach to Esophageal Strictures	<i>Jonathan Kushner, MD; Gastroenterologist University Of Cincinnati Medical Center</i>
10:55 AM	PPI Responsive Esophageal Eosinophilia	<i>Stuart Spechler, MD; Gastroenterologist,</i>
11:15 AM	EoE Related Syndromes and Presentations	<i>Mirna Chehade, MD; Allergist/Immunologist, Gastroenterologist Mount Sinai Hospital</i>
11:35 AM	Remodeling, Stiffening and Epithelial Mesenchymal Transformation in the Esophagus	<i>Amanda Muir, MD; Gastroenterologist, Children's Hospital of Philadelphia</i>
11:55 AM	Late Breaking Discovery	<i>TBA</i>

12:05-1:15 PM Lunch

1:15 PM	Keynote Speaker: Rare Disease Clinical Research Consortium Network	<i>Anne Pariser, MD, Deputy Director Office of Rare Diseases Research, National Center for Advancing Translational Sciences (NCATS), National Institutes of Health</i>
---------	---	--

Immunology of EoE chaired by

1:45 PM	Immunobiology of Eosinophils	<i>Simon P. Hogan, PhD; Immunologist, Cincinnati Children's</i>
2:05 PM	Dissecting the Adaptive Immune System in EoE	<i>Antonella Cianferoni, MD, PhD; Allergist/Immunologist; Children's Hospital of Philadelphia</i>
2:25 PM	Dissecting EoE Cell by Cell: Single Cell Analysis	<i>Ting Wen, PhD; Molecular Biologist, Cincinnati Children's</i>
2:45 PM	Uncovering the Cause of EoE through Big Data/Computational Analysis	<i>Bruce J. Aronow, PhD; Co-director Computational Medicine Center, Cincinnati Children's</i>
3:05 PM	Regulation of Eosinophilia by Innate Immunocytes	<i>Yui-Hsi Wang, PhD; Sanofi</i>
3:25 PM	What you need to know about Stem Cells and EGID	<i>Mark Rochman, PhD; Research Associate, Cincinnati Children's</i>
3:45 PM	TBA	<i>Lisa Spencer, PhD</i>

3:45 PM – 4:00 PM Break

Next Generation Ideas in EGID chaired by

4:00 PM	Needs Assessment of EGID patients	<i>Girish Hiremath, MD, MPH; Gastroenterologist, Children's Hospital at Vanderbilt</i>
4:10 PM	Research through the Internet: Validation of CEGIR Online Registry	<i>J. Pablo Abonia, MD Allergist/Immunologist, Cincinnati Children's</i>
4:20 PM	The role of neuroendocrine cells on the pathogenesis of eosinophilic esophagitis	<i>Anil Mishra, PhD Allergist/ Immunologist, Tulane University</i>
4:40 PM	Role of Mast cells in EoE	<i>Joshua Wechsler, MD; Gastroenterologist, Lurie Children's Hospital of Chicago</i>
5:00 PM	Late Breaking Discovery	<i>TBA</i>

Friday, October 20, 2017

Research Session II, Sabin Auditorium

8:00 AM	Keynote Speaker: Checkpoints for Regulating and Treating Eosinophilic Disorders including Asthma <i>Ariel Munitz, PhD, Department of Microbiology and Clinical Immunology, Tel-Aviv University</i>
---------	--

EoE Pathogenesis chaired by

8:25 AM	Tissue Remodeling in EoE	<i>Seema Aceves, MD, PhD; Allergist/ Immunologist; University of San Diego</i>
8:45 AM	EGID Microbiome	<i>Sophie Fillon, PhD; Children's Hospital Colorado</i>
9:05 AM	Barrier Impairment in EoE	<i>Nurit Azouz, PhD; Research Fellow, Cincinnati Children's</i>
9:25 AM	Living with EGID as a family <i>The Root Family, Bella Vista, AK</i>	Adult Patient Breakout Session with Dr. Bruce Bochner, MD, Allergist/ Immunologist, Northwestern University Feinberg School of Medicine in Room D2.28 (9:30am-10:00am)
9:45 AM	European Experience in EoE	
10:05 AM	EoE and Autoimmunity	<i>Kathryn Peterson, MD; Gastroenterologist, University Of Utah School of Medicine</i>

10:25 AM – 10:40 AM Break & Poster Viewing

EoE Inheritance and Genetic Testing chaired by

10:40 AM	Trends in Epidemiology and Sex (for EGID)	<i>Evan S. Dellon, MD, MPH; Gastroenterologist, University of North Carolina School of Medicine</i>
11:00 AM	Early Life Risk Factors of EGID	<i>Elizabeth Jensen, PhD; Epidemiologist, Wake Forest School of Medicine</i>
11:20 AM	Genetic Risk Factors of EGID	<i>Leah C. Kottyan, PhD; Geneticist, Cincinnati Children's</i>
11:40 AM	Gene-Environment Interactions in EGID	<i>Lisa J. Martin, PhD; Geneticist, Cincinnati Children's</i>
12:00 PM	Keynote Speaker: Eosinophil Directed Therapeutic Breakthroughs <i>Bruce Bochner, MD, Allergist/ Immunologist, Northwestern University Feinberg School of Medicine</i>	

12:25 PM - 1:25 PM Lunch and Poster Viewing

1:25 PM	Keynote Speaker: Interfacing with Washington <i>Joe V. Selby, MD, MPH, Executive Director, PCORI</i>
---------	--

Therapy chaired by

1:50 PM	Emerging Therapies for EGID	<i>Ikuo Hirano, MD; Gastroenterologist Northwestern University Feinberg School of Medicine</i>
2:10 PM	EGID-related Adverse Events of Oral Immunotherapy	<i>Yitzhak Katz, MD; Allergist, Tel Aviv University</i>
2:30 PM	Risks and Benefits of Swallowed Glucocorticoids	<i>David Katzka, MD, Gastroenterologist, Mayo Clinic</i>
2:50 PM	Risks and Benefits of Dietary Therapy	<i>Jonathan Spergel, MD, PhD; Allergist/Immunologist, Children's Hospital of Philadelphia</i>

3:10 PM - 3:25 PM Break & Poster Viewing

Fighting EGID and Winning chaired by

3:25 PM	Moving EoE through the FDA	TBA
3:40 PM	Moving EoE through the NIH	<i>Mike Minnicozzi, PhD; Program Officer, NIH-NIAID</i>
3:55 PM	Newer and Promising ways to Assess Disease	<i>Sandeep K Gupta, MD Gastroenterologist Children's Hospital of Illinois</i>
4:15 PM	Late Breaking Discovery	TBA

Clinical Research Studies chaired by

4:25 PM	CEGIR Longitudinal Study --Outcome Measures in Eosinophilic Gastrointestinal Disorders Across Ages (OMEGA)	<i>Glenn T. Furuta, MD; Gastroenterologist, Children's Hospital Colorado</i>
4:35 PM	SOFED Trial (Six vs One Food EoE Diet) Trial	<i>Vincent A. Mekkada, MD Gastroenterologist, Cincinnati Children's</i>
4:45 PM	1 Food vs 4 Food Elimination Diet PCORI Trial in EoE	<i>Kara L. Kliewer, PhD, RD; Cincinnati Children's</i>
4:55 PM	Late Breaking Discovery	
5:05 PM	Closing Remarks: Translating Research to Patient Care- Better Treatments and Cure <i>Marc E. Rothenberg, MD, PhD; Allergist/Immunologist, Cincinnati Children's</i>	
5:15pm	Rothenberg Lab Tour	

Saturday, October 21, 2017

Family Session, Sabin Auditorium

8:00 AM **Welcome**

8:10 AM	Eosinophils 101: Why do we have these cells? <i>Bruce Bochner, MD; Professor of Medicine (Allergy & Immunology) Northwestern University Feinberg School of Medicine</i>
8:30 AM	Types of EoE Overview <i>Seema Aceves, MD, PhD; Allergist/ Immunologist; University of San Diego</i>
9:10 AM	Biopsies and Diagnosis of EGID <i>Margaret H. Collins, MD; Pathologist, Cincinnati Children's</i>
9:50 AM	Overview of EGID: Diagnosis & Therapy <i>Philip E. Putnam, MD; Gastroenterologist, Cincinnati Children's</i>

10:20 AM- 10:35 AM *Break and Poster Viewing*

10:35 PM	Eosinophilic Gastroenteritis and Colitis <i>Robert D. Pesek, MD, Allergist/Immunologist University of Arkansas for Medical Sciences</i>
10:55AM	Patient Perspective: Living with an EGID <i>TBA</i> 11:00 am Room D2.22 Alternate Session for Adults with EGID: EGID in Adults <i>Evan S. Dellon, MD, MPH Gastroenterologist University of North Carolina</i>
11:15 AM	Food & EoE Young Adults Vs. Children <i>Bethany Doerfler, MS, RDN; Northwestern Memorial Hospital</i> <i>Raquel Durban, MS, RD; Division Director Food Allergy Institute at Asthma & Allergy Specialists, PA</i> 11:25 am Room D 2.22 Alternate Session for Adults with EGID: EGID in Adults <i>Ikuo Hirano, MD, Gastroenterologist Northwestern University Feinberg School of Medicine</i>
11:45 AM	Feeding Problems in EGIDs – More than just “Food Gets Stuck in my Throat” <i>Vincent A. Mukkada, MD Gastroenterologist, Cincinnati Children's</i> 11:50 am Room D 2.22 Alternate Session for Adults with EGID: Diet Selection in Adults <i>Bethany Doerfler, MS, RDN; Northwestern Memorial Hospital</i> <i>Raquel Durban, MS, RD; Division Director Food Allergy Institute at Asthma & Allergy Specialists, PA</i>

12:15 PM-1:15 PM *Lunch and Poster Viewing*

1:15 PM	Individual Education Plans and 504's 1:15 pm Room D 2.22 Alternate Session for Adults with EGID: Personal Chef: Tammy Stafford
2:00 PM	Practical Nutritional Aspects of EGID <i>Bethany Doerfler, MS, RDN, Northwestern Memorial Hospital</i>
2:20 PM	Coping with EGID <i>Nicole E. Zahka, PhD; Psychologist, Cincinnati Children's</i>
3:00 PM	Pain in EoE/IBD: Like an Ogre, It's an Onion <i>Kenneth Goldschneider, MD, FAAP Director, Pain Management Center, Cincinnati Children's</i>

3:20 PM-3:35 PM *Break and Poster Viewing*

3:35 PM	Measuring Patient Outcomes and Quality of Life <i>Lisa J. Martin, PhD; Statistical Geneticist, Cincinnati Children's</i>
3:55 PM	How to Build a Stronger Community to Support Research and Each Other: A Foundation Perspective <i>Mrs. Ellyn Kodroff, CURED; Mrs. Shay Kyle, CURED</i>
4:15 PM	Closing Remarks

2017 Teen Sessions:

Friday, October 20, 2017

Research Session II, Sabin Auditorium

7:15 AM -8:00 AM Continental Breakfast
Sabin Auditorium Atrium

8:00 AM	Welcome Icebreakers	Room:
9:00 AM- 9:45 AM	Coping Strategies <i>Nicole Zahka, PhD; Cincinnati Children's</i>	D2.44
10:00 AM	TBA	D2.44
11:00 AM	Q & A with a Cincinnati Children's Fellow	D2.44
12:00 PM	Participating in Research: 101	D2.44
12:25-1:25PM	Lunch with Family – Sabin Auditorium	Sabin Auditorium
1:30 PM	Keynote Speaker- remote viewing	D2.44
2:30 PM – 3:15 PM	Q & A with Dr. Mukkada	D2.44
3:15-4:00 PM	Patient Education – Pathology Results	D2.44
4:00 PM	Teens return to conference	Sabin Auditorium
5:00 PM	Rothenberg Lab Tour	S6

Saturday, October 21, 2017

Research Session II, Sabin Auditorium

7:15 AM -8:00 AM Continental Breakfast
Sabin Auditorium Atrium

10:00am- 10:30am	Teen Breakout Session with Personal Chef: Tammy Stafford	Room D 2.44
11:00 AM – 12:00 PM	Living with an EGID Teen Break Out Session <i>An informal discussion about living with an EGID with someone who has walked in your shoes.</i>	Room D 2.44
2:40 PM- 3:30 PM	Nutrition and EGIDS Teen Break Out Session <i>Bethany Doerfler, MS, RDN; Northwestern Memorial Hospital Raquel Durban, MS, RD; Division Director Food Allergy Institute at Asthma & Allergy Specialists, PA</i>	Room D 2.22

Special Event: Saturday, Oct. 21: Family Fun Night!

This is a family oriented bingo event for all conference attendees. It is a wonderful opportunity to raise funds vital to medical research, and meet and greet families.

***Both days Teens will break and join the general conference audience for lunch*
